**The Uncle Earl proudly introduces a buffet of  
a modern day prodigy of poetry, artistry and music!**

**"Voice Of The People"**

Ronyai is more than a poet. He embodies the true definition of the word artist. Born and raised in Kansas City, Mo. Until the age of seven, his mother exposed him to the arts. By the time he turned nine he was living in Orlando, FL and was sketching animated characters. Ronyai was exposed to the power of poetry by his mother when he turned twelve. Not by accident but by purpose. Through writing Ronyai was able to release his aggression and is still doing that to this day. His gifts have no boundaries. He has tapped into the field of acting, percussionist, modeling, spokesperson, singer, dancer-choreographer, beat boxer, screenwriter and even comedy. He's even opened up for national recording artists Chrisette Michele, Kardinal Offishall, and Laura Reed. Recently, Ronyai started his own imprint, Paint with Words and has a webcast under pre-production.
